Fridge-freezer with NoFrost
Comfort

← 75 →

Energy consump. in 365 days/24 h	262 / 0.717 kWh
Volume	Freezer compartment: 89 l
Frequency / voltage	50 Hz / 220-240 V~
Connection Rating	1.5 A 137.7 W
Door / Side walls	SmartSteel / silver
Exterior dimensions in cm (h / w / d)	168.5 / 75 / 63
Controls	
Type of Control	MagicEye behind-the-door, touch electronic
Door alarm	acoustic
Alarm in case of malfunction	visual and acoustic
Fridge compartment	
Forced air system	PowerCooling
Door interior	Premium GlassLine storage shelf with bottle holder, Egg tray
Interior light	LED ceiling lighting
Fruit and vegetable bins	2 fruit and vegetable drawers on roller tracks with LED lighting
Freezer compartment	
Star coding	****
Number of drawers	2 drawers, VarioSpace
Features	
Side-by-Side concept	Side-panel heating on both sides, suitable for combination with other fridges, freezers and/or wine appliances
Door hinges	Reversible door hinging
EAN-Nr.	9005382238516

Features

NoFrost

Liebherr's NoFrost appliances provide expert refrigeration technology to ensure long-term freshness. The food is frozen with chilled recirculating air, and any humidity is expelled. As a result, the freezer is always free of ice, and food no longer frosts over. NoFrost convenience makes defrosting a thing of the past.

DuoCooling

DuoCooling uses two completely separate refrigeration circuits to ensure no air is exchanged between the fridge and freezer compartments. The food neither dries out nor is odour transferred. This means throwing less away, shopping less often, but saving more and greater enjoyment.

SmartSteel

SmartSteel significantly reduces the visibility of finger marks and is very easy to clean.

Automatic SuperFrost function

The automatic SuperFrost function makes freezing simple and saves energy. It quickly reduces the temperature to -32°C and thus creates the cold air required to preserve vital vitamins. As soon as the food is completely frozen, the automatic SuperFrost function switches back to normal mode after max. 65 hours, and thus assists in saving electricity.

SuperCool

The automatic SuperCool function lowers the refrigerator temperature down to as far as $+2^{\circ}\text{C}$ for as long as 12 hours - ideal for rapidly cooling freshly stored food.

Door alarm

The audible door alarm alerts the user if the door has been open for longer than 60 seconds for safe protection of the food.

Technical drawing

Products and their details are staged for advertising purposes. Whilst every effort is made to ensure all specifications and information in this flyer are accurate, Liebherr reserves the right to make changes without notification. Where actual appliance measurements, specifications, and ratings are crucial, we recommend that the actual appliance installation instructions that accompany each appliance be checked. Liebherr will not be liable for any damage. (01.12.2022)
