EWTdf 1653

LIEBHERR

Electronic LCD Display: Intuitive navigation of touch electronic control system enables tailored storage options. The digital temperature display can be viewed via the UV tinted glass door.

Presentation shelf: The presentation shelf is ideal for showcasing fine wines and keeps opened bottles at the perfect temperature.

Stainless steel accessory door: Complete your home with our optional stainless steel frame and aluminum handle for that extra touch of elegance.

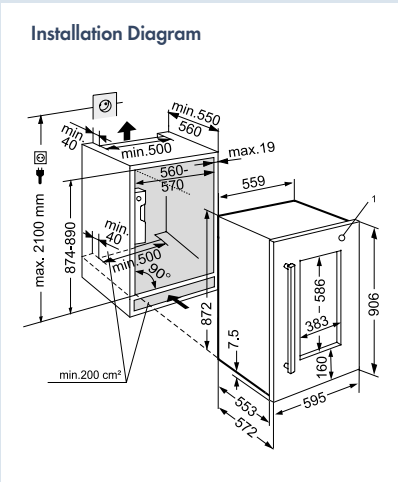

The dual-zone **EWTdf 1653** fully-integrated wine cabinet is the perfect choice for aspiring wine collectors. A compact version of our EWTdf 3553, this model allows you to store two different types of wines, each at its optimum drinking temperature.

An activated charcoal filter protects prized wines against odour; best changed once every 12 months. This wine cabinet is compatible with furniture overlay panels (supplied by your kitchen retailer) or Liebherr's stainless steel frame or aluminium accessories¹.
